## Data Collection

Collecting information provides specific benefits to our website visitors, it allows us to enter your name into competitions and/or promotions (please refer to their specific terms for entry conditions), for us to reply to your E-mail or fulfil requests for information or literature.

We collect information for the following purpose(s):

- Completing or supporting an activity.
- Research, analysis and reporting.
- Contacting our visitors (except via telephone) for promotion of the site or products.

Who has access to the information we collect?

- Ourselves.
- Delivery services possibly not sharing our privacy policy.

Of the information we do collect, no access to collected information is given.

Custom Electronic Design reserves the right to change this privacy policy at any time at its sole discretion. We encourage you to review our privacy policy on a regular basis.

If you believe that this website has collected incorrect information or if you would like to dispute any information, please contact us using the details above.
